THE J HOUSE GREENWICH CELEBRATES ITS 10TH ANNIVERSARY

Boutique Luxury Hotel in Fairfield County, CT Commemorates Milestone with Highly Anticipated Renovations Totaling \$1 Million Dollars

Greenwich, CT., May/June XX, 2022 – [The J House Greenwich](#) is thrilled to celebrate its 10th anniversary this year. After a decade of service as one of the most luxurious boutique hotels in Fairfield County, Connecticut, The J House is commemorating its success with new renovations slated for this year. These renovations will further enhance the existing hip vibe at The J House as a destination offering a contemporary and unique lifestyle experience.

Over the past decade, The J House has been a hotel of choice for some of the most distinguished travelers visiting the tri-state region. It remains the cool place to be seen, and it has welcomed countless celebrities and high-profile executives who relish its unique hip, fun vibe. The staff at The J House puts together some of the grandest events and celebrations in the region – including everything from weddings and anniversaries to corporate meetings and conferences, art events, and social get-togethers. The J House is also well known for its romance packages, girlfriend weekends, and staycations.

“Since 2012, The J House has offered an unmatched dimension of luxury and sophisticated service. Celebrating 10 years of wonderful memories is a key milestone in our history, and we look forward to continuously exceeding the expectations of our guests,” said John Fareri, Owner of The J House Greenwich. “I would like to thank our guests and business partners for their support, and thank our amazing team for their consistent service and flawless attention to the details that truly define The J House experience.”

The renovations that began last year will continue throughout the hotel, including guestrooms, suites, and public spaces. All of the suites, including The Ambassador Suite, are receiving a fresh new look. Each of the hotel’s 83 high-tech guestrooms and suites will receive brand new luxury vinyl flooring, new furniture, new TVs, and mini refrigerators. Hallways will receive new carpeting, and The Ambassador Suite’s expansive outdoor deck will also receive new furniture. One of their beautiful event spaces, known as The Riverside Room, will be completely transformed this summer with a fresh look that includes hardwood flooring and a sustainable green wall. Tony’s patio bar and waterfall will be enhanced with marble and new lighting. In total, these renovations will cost approximately \$1,000,000.

The renovations will further enhance the already existing boutique hotel experience that The J House offers its guests. The hotel offers fine dining via Tony’s restaurant, the “world-class” J Spa, exquisite banquet rooms, and attentive service that has set The J House apart from other hotels over the years.
